OUTREACH ACTIVITIES

In September 2020, Blackleggs Creek Watershed Association received notice that they were awarded a WCAP grant for this round. In January 2021, Blackleggs received notice from PA DEP that they were awarded a Growing Greener Grant, which is matched by the WCAP grant. In February 2022, the investigation to find a way to pump sludge into the mine continued. In March 2022, the investigation to find a way to pump sludge into the mine continued. We updated our Scope of Work document for a new contractor. I completed quarterly performance and financial reports for the WCAP grant. In April 2022, the investigation to find a way to pump sludge into the mine continued.

WPCAMR is updating our strategic plan. In February 2022, I worked on formatting and photos for the final document. One Strategic planning meeting was held. In March 2022, I continued formatting and photo compilation for the final document.

WPCAMR is administering a WCAP grant for Elk County Conservation District. In March 2022, paperwork was finalized, and we received the grant contract. I updated WPCAMR's user profile to administer the grant.

WPCAMR is administering a WCAP grant for Broad Top Township. No news for February 2022.

I am participating in Jefferson County Conservation District's Strategic planning. In February 2022, one meeting was held.

I met with a conservancy with regards to their questions about the PAEGSA program and advised them on how to apply for a project.

In March 2022, one AMP was distributed for the conference. In April 2022, three AMPs were distributed including one discussing current Bills regarding AML funding, one for the WPCAMR quarterly board meeting, and one announcing the opening of another round of Growing Greener.

PA AMR CONFERENCE

2022 PA AMR Conference

The 2022 PA AMR Conference is scheduled to be held as a hybrid in-person and virtual conference at the Ramada in State College, PA on June 22-23, 2022. In February 2022, I collected quotes from professional filming crews. One planning committee meetings was held. In March 2022, I began collecting presentation submissions, contacted potential presenters, sent out a newsletter announcing the conference, registered for the conference. One planning committee meetings was held. In April 2022, I continued collecting presentation submissions, contacted potential presenters, began building the program on our online platform, attended a tech test day at the Ramada, attended a panel presentation on hybrid events,. Two planning committee meetings were held.

PA AML CAMPAIGN

In February 2022, I attended four PA AML Campaign meetings and took minutes for each. In March 2022, I attended four PA AML Campaign meetings and took minutes for each. In April 2022, I attended four PA AML Campaign meetings and took minutes for each.

ARIPPA AWARD

In February 2022, I finished updating the application for 2022. In March 2022, we had one conference call with ARIPPA to discuss the future of the award program. I posted the application RFP and began answering questions as they came in. In April 2022, I corresponded with applicants, received an application, and checked it for completeness.
